

SUPERIOR COATINGS FOR FARM & RANCH

— BARNs • FLOORs • FENCEs • TRACTORs • IMPLIMENTs —

Customized to your needs & processes

Tell us what you need to cover...from floors to roof, from metal to wood, and we'll deliver the color, sheen, and coating properties you need.

Anti-corrosion protection that lasts

Paint needs to do more than just look good, which is why our products are engineered for durability, lasting sheen, and rust/damage protection.

Durable formulations that are easy to apply

From primers to paints to specialized coatings, our products are designed with ease of use, application, and rapid turnaround times in mind.

**DESIGNED TO LAST...SEASON AFTER SEASON.
ANY SURFACE. ANY COLOR. ANY SHEEN.**

We custom-engineer paints, primers, and coating solutions that are specifically formulated to meet the harsh daily demands of the agriculture industry.

TRACTORS & IMPLEMENTS

From restorations to extending the life of farm equipment, our products are designed to handle the tough daily demands and harsh weather. Get long-term gloss retention, lasting durability, and superior corrosion and fade resistance.

Zinc Primers (1k&2k)

Metal, Plastic & Composite Primers

Two Part Epoxies & Urethanes

Direct-To-Metal Fast Dry Oil-Based Enamels

Direct-To-Metal Acrylic Modified Alkyds

High Temperature Coatings

Quarts, Gallons, Touch-up Spray Cans

BARNS & STRUCTURES

Designed for use on farm and ranch buildings, barns (interior, exterior, floors, roofs), and metal or wood surfaces. Specially formulated to offer maximum durability, lasting performance, and superior damage, rusting, and fading resistance.

Interior & Exterior Latex

Elastomeric Concrete & Roof Coatings

Floor Epoxies & Urethanes

Dairy Enamel

FDA-Grade Paint & Coating Solutions

Concrete Repair Products

Quarts, Gallons, 5-Gallon Buckets

THE RAPID CURE TECHNOLOGIES ADVANTAGE

Any Color, Any Sheen Available

Chemical/Fading Resistance

Superior Corrosion Protection

Long-lasting Durability

High Temperature Applications

Cost Effective & Easy to Apply

Fast Drying & Curing Formulations

ASTM, IEEE, NACE, SSPC Qualified

ISO-9001 Certified Manufacturer

**FARM MAINTENANCE + RESTORATIONS + IMPROVEMENTS + PROTECTION
SUSTAINABLE CHEMISTRY...CUSTOMIZED.**
